

**MISS REGINA TSE**  
**Associate Consultant**

Regina has sixteen years solid experience in management training and human resources development with various multinational companies in Hong Kong. Organizations that she has served in-house include ASML, British American Tobacco HK Ltd, Development Dimensions International (DDI) Ltd., Reuters Hong Kong Ltd, Orient Overseas Container Lines Ltd, New T&T Hong Kong Ltd, Hong Kong Bank, John Swire and Sons (HK) Ltd., Digital Equipment Corporation Ltd and IBM Hong Kong/China. Regina currently holds a manager position with a reputable multi-national company in Hong Kong.

Throughout her career in the training field, she has demonstrated her professional and expertise in interaction and facilitation skills in a wide range of management training programs. Programs that she has conducted include leadership, fundamental of management, team effectiveness, communication skills, teamwork, time management, setting performance expectation, performance appraisal, problem solving, change management, coaching and counseling, presentation skills, behavioural/competency-based interviewing skills and train-the-management trainer program.

Regina is an expert designer and evaluator of training programs. She acted as an internal consultant for line departments and conducted training needs analysis for designing workshops as requested. She is also strong at establishing company-wide training policies and procedures and mapping out the management training curriculum for staff at different levels.

Regina has trained participants across the Asia Pacific region from diverse industries (like fast moving consumer goods, finance/banking, manufacturing, shipping, IT, insurance, telecommunications, public utilities). Participants range from Country Managers to Department Heads and front line staff.
